

Illinois Mandated School Trainings for Public Schools

2024-25 School Year

Last Updated: August 2024

Changes from Draft Version

A previous draft version of this document was released to the field in May of 2024. The draft version is now outdated and should no longer be referenced. Please note the following changes that have been made in this final version of this document:

Hazardous Materials Training

Training Standards: Removed requirement that ISBE and IDPH must approve trainings. Previously trainings had to be identified by ISBE in consultation with IDPH.

Health Conditions of Students

Summary of Requirements: Removed training requirement for “(1) chronic health conditions of students.”

School Board Membership

Title: Removed the word “Leadership” from the title.

Summary of Requirements: Added requirement that the training include information on improving student outcomes.

Training Standards: Changed language to match what appears in statute. No substantive change. Additionally, added information pertaining to improving student outcomes.

The latest version of this document can always be located at: <https://www.isbe.net/Documents/Il-Mandated-Trainings.pdf>.

Overview

This document contains trainings that are mandated for school personnel and board members by various state and federal laws. ISBE recommends that schools review the information on the following pages annually and prior to any Regional Office of Education compliance review visit.

Please note that this document is not intended to be an exhaustive listing of all required content for each training. Statutory references should be consulted in all cases. This information is provided as a resource and does not constitute legal advice. In addition to the trainings outlined in this document, there may be other requirements outside of the School Code not referenced. Please consult with your board policies, administrative procedures, and legal counsel for additional training requirements.

How to Use This Document

1. Review the “Mandate Checklist” table of contents on the following slide.
2. Review each training by scrolling through the document or clicking on the hyperlinked text on the table of contents to jump directly to that training. You can click the ISBE logo in the bottom right to return to the table of contents.
3. Review the information about the training on each page, including the applicable statutes, and rules and carry out the training as required.
4. Use the Mandate Checklist to keep track of your progress as you complete each training in your district.
5. Fill in the information below and sign and date on page 4 once all trainings have been completed. Keep this as a record for compliance monitoring or auditing purposes.

Asbestos Management & Abatement

Frequency	Staff Required	Summary of Requirements	Training Standards
<p>New employees must be trained within 60 days after commencement of employment. 40 CFR 763.92(a)(1).</p> <p>As determined in the Asbestos Hazard Emergency Response Act (AHERA) and by IDPH via its powers under the Commercial and Public Building Asbestos Abatement Act and Asbestos Abatement Act.</p>	<p>Custodians and maintenance employees</p> <p>Designated asbestos plan manager as described in 77 Ill. Admin. Code 855.300(a)(4).</p>	<p>All custodial and maintenance employees must be properly trained in asbestos management and abatement. Training shall include information regarding (i) asbestos and its uses and forms; (ii) health effects associated with asbestos exposure; (iii) locations of asbestos-containing building material (ACBM) identified in the school building; (iv) recognition of damage, deterioration, and delamination of ACBM; and (v) name and phone number of person designated to carry out general Local Education Agency responsibilities regarding availability and location of management plan. 40 CFR 763.92(a)(1). All custodial and maintenance employees who conduct any activities that will result in the disturbance of ACBM shall also receive additional training as outlined in 40 CFR 763.92(a)(2).</p> <p>The school district must designate a person to oversee all asbestos management plan activities and ensure that the designated person receives adequate training to perform the assigned duties of the school district. Such training shall include (i) health effects of asbestos; (ii) detection, identification, and assessment of ACBM; (iii) options for controlling ACBM; (iv) asbestos management programs; and (v) relevant federal and state regulations concerning asbestos, including those of the Occupational Safety and Health Administration, the U.S. Department of Labor, the U.S. Department of Transportation, the U.S. Environmental Protection Agency and the Illinois Department of Public Health. 77 Ill. Admin. Code 855.300(a)(4)</p>	<p>Training must comport with requirements of the federal AHERA, the Illinois Asbestos Abatement Act, and Part 855 of the 77 Ill. Admin. Code. Per AHERA, the training requirement for custodians and maintenance staff is two hours of awareness training, whether or not they are required to work with ACBM.</p>
